

Brave Page How-To Guide for NCCC

What is a Brave Page?

Brave Pages are custom pages for your charity/cause/*chapter*/fundraiser that live on Bravelets.com. Your Brave Page allows you to sell Bravelets products and have the donation go directly to support your chapter!

Here is a link to the National Cervical Cancer Coalition “Main” page to give you an example of what your fundraising page can look like:

<https://bravelets.com/bravepage/national-cervical-cancer-coalition>

If you would like a Brave page for your chapter, please let your Chapter Manager know and they’ll get one set up for you.

Once your brave page is created, you’ll have a custom link that you can share online via social media, e-mail or web. \$7 from each item sold through your Brave Page will be donated directly to your chapter! It’s that simple!
